

Geibel Catholic Junior-Senior High School

Date: August 6, 2018

Job Title: Secondary Chemistry, Physics, and Environmental Science Teacher

Reports to: Principal, Assistant Principal and Superintendent

Summary: Instruct students in the content area of Chemistry, Physics, and Environmental Science in alignment with the mission of Geibel Catholic which is to achieve and sustain excellence in faith formation, academics, and service while inspiring students to become lifelong learners.

The successful candidate will:

- Hold professional certification in Science.
- Teach Chemistry I, Chemistry II, Physics, Environmental Science.
- Possess knowledge of current pedagogy pertaining to science instruction.
- Lead the curriculum, instruction, and assessment for their students.
- Strive for excellence in student growth and achievement.
- Incorporate student collaboration and technology into instruction.
- Diversify lessons to facilitate the success of each student.
- Assess mastery of content using varied formative and summative tools.
- Focus on data driven results.
- Collaborate with peers, in and out of subject area, for cross curricular applications of content.
- Communicate clearly and regularly with parents to inform about student progress.
- Participate in professional development, open houses, parent conferences, and other related activities.
- Understand the difference between teaching students and teaching a subject area.

Interested applicants are requested to email a cover letter and resume to Geibel Catholic Principal Pat Nickler at pnickler@geibelcatholic.org.
